Unit 2:
Programming
Assignment

Print "Enter amount of
money spent on food this
month."

Input **answer**

percentBudget \leftarrow **answer** / 600

If
percentBudget
 > 1

print "Over Budget, StopNow!"

Else if
percentBudget
 $\geq .75$

print "Nearing or at budget, time to stop
spending."

Else if
percentBudget
 $\geq .50$

print "Still on budget, you may continue
spending."

Else if
percentBudget
 $\geq .25$

print "Still on budget, you still have plenty
to go."

Else if
percentBudget
 ≥ 0

print "Spend away, maybe a nice dinner
out?"

Print "Enter amount of money spent on food this month"
